

FISCAL NOTE

SB 1178 - HB 1333

March 23, 2005

SUMMARY OF BILL: Specifically excludes from the negotiating unit for collective bargaining purposes, principals employed under performance contracts with the Director of Schools. However, principals under performance contracts as of June 30, 2005, shall remain part of the negotiating unit unless the principal submits to the local board of education a written request to be removed from the unit.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumption:

- If a principal chooses to be excluded from the negotiating unit for collective bargaining purposes, the principal's contract would no longer be negotiated by the teacher's association and the LEA but would be negotiated by the Director of Schools and the principal and memorialized into the principal's performance contract required by law.
